

Larger Gatherings at Kalmbach

Due to the increased popularity of Kalmbach Park, we are implementing a: **Permission to Gather** for groups of 20 or more.

Please follow these requests for the safety and consideration of other park visitors.

1. All trash must be cleaned up and taken with you.
2. Please do not play on the banks of the stream or on the waterfall.
3. Do not throw rocks from the stream.
4. This is a passive park, so please remember to keep the noise at a respectful level.
5. The park is open from sunrise to sunset. Please follow these times respectfully.
6. Children should be supervised for their safety.

Please go to [Kalmbachpark.com](https://forms.gle/H8P2ZmXdTcpgfCCR9), click on this link and fill out the form and submit it to Kalmbach before your gathering at Kalmbach Park. Thank you.
