

**Feature Artist at Kalmbach  
- Deborah Haaf**

Always having an appreciation of art, a love of making things, and knowing what I like has led me on a journey of becoming an artist. Taking classes with Jacqueline Meyerson, workshops with Lucienne Rappaport, Brian Bomeisler, David Garrison, Cécile Houel and others along with self teaching and painting with friends has led me to a point where I enjoy Pastels as my "medium". I paint in a realistic, yet impressionistic style. I have exhibited work in shows with the Parkland Art League, Bethlehem Palette Club and the New Jersey Pastel Society. Currently, I am President of the Parkland Art League and invite you to follow us on Facebook or visit our website at <https://www.parklandartleague.com> to see when our next event will take place. My personal website is <https://www.debhaaf.com>.
